

JUNE JULY

BETHANY CHURCH
LOVING GOD | LOVING PEOPLE | MAKING DISCIPLES 

JOIN US FOR OUR FIRST VISION SUMMIT!

You're invited to join us as we'll look back on the Lord's faithfulness, spend time worshipping through song and prayer, and listen to our elders as they share a vision for where the Lord is calling us as a church family. We will be discussing our plans for groups, mission, care and discipleship. If you call Bethany home, we would love to see you there.

An evening of worship...song, prayer, confession, communion, and testimonies.

The next Pause will be on Sunday, 16 July.

Join us for a time of fellowship and learning on Sunday evenings from 6-7:30pm. Each week, we will be digging deeper into how to mature and grow in our understanding of worship.

There will be 3 sessions in total:

Session 1 will cover *“What is Worship?”* This will be an overview and definition of worship led by Jason Mayhall.

Session 2 will cover *“Why Do We Sing?”* This will be a focus on the uniqueness and importance of music and song. This will be led by Phil Rumbles and Jonny Potts.

Session 3 will cover *“What About When We Aren’t Singing?”* This will look at the various ways to worship and emphasise a lifestyle not limited to one expression or way to worship. This will be led by Matt Goon.

Everyone is welcome. For more information, contact Matt at goon.matthew@gmail.com.

If you are new to Bethany, or feel like you’re new, we’d like to invite you to join us for lunch to hear about the vision for the church. You’ll have the opportunity to ask questions, as well as meet the leadership/staff, hear about our philosophy of ministry, and more.

For all current group/bible study leaders. This is a time to focus on defining our vision for groups, encourage one another, and spend time in prayer. We will talk about what the focus of a group should be, how do we multiply, and what are the new pathways for others to join.
